ABOUT CARITAS HARMONY

Luton based ladies' choir Caritas Harmony was formerly known as Pasque Harmony and in their 10 years of performing from 2003 to 2013, raised over £130,000 for Keech Hospice Care. From 2014 the choir changed its identity and now supports a charity of choice each year. The choir performs a wide range of music from modern day pop songs to timeless classics, in a variety of venues. The choir is regularly joined by celebrity comperes and is happy to sing with other choirs or performers.

CARITAS HARMONY WEDDING BROCHURE

Why not make your wedding day
really special with the addition of
a ladies' choir singing your
chosen songs.

Ashwell Wedding, September 2013

The Choir has been performing at weddings since 2005 and at these occasions are fewer in number, but be in no doubt, the singers will fill the church with a beautiful sound. Quite often the choir is asked to provide a musical interlude for your guests during the signing of the register.

The choir has a selection of songs from its repertoire that are especially suitable for weddings and can also provide an organist for the ceremony. The choir will also be happy to perform at the wedding reception if required.
